Forward-Looking Statements

Statements contained in this press release that state the intentions, plans, hopes, beliefs, anticipations, expectations or predictions of the future of Pilgrim's Pride Corporation and its management are considered forward-looking statements. Without limiting the foregoing, words such as "anticipates," "believes," "estimates," "expects," "intends," "may," "plans," "projects," "should," "targets," "will" and the negative thereof and similar words and expressions are intended to identify forward-looking statements. It is important to note that actual results could differ materially from those projected in such forward-looking statements. Factors that could cause actual results to differ materially from those projected in such forward-looking statements include: the impact of the COVID-19 pandemic, efforts to contain the pandemic and resulting economic downturn on our operations and financial condition, including the risk that our health and safety measures at Pilgrim's Pride production facilities will not be effective, the risk that we may be unable to prevent the infection of our employees at these facilities, and the risk that we may need to temporarily close one or more of our production facilities; the risk that we may experience decreased production and sales due to the changing demand for food products; the risk that we may face a significant increase in delayed payments from our customers; and additional risks related to COVID-19 set forth in our most recent Form 10-K and Form 10-Q filed with the SEC; matters affecting the poultry industry generally; the ability to execute the Company's business plan to achieve desired cost savings and profitability; future pricing for feed ingredients and the Company's products; outbreaks of avian influenza or other diseases, either in Pilgrim's Pride's flocks or elsewhere, affecting its ability to conduct its operations and/or demand for its poultry products; contamination of Pilgrim's Pride's products, which has previously and can in the future lead to product liability

claims and product recalls; exposure to risks related to product liability, product recalls, property damage and injuries to persons, for which insurance coverage is expensive, limited and potentially inadequate; management of cash resources; restrictions imposed by, and as a result of, Pilgrim's Pride's leverage; changes in laws or regulations affecting Pilgrim's Pride's operations or the application thereof; new immigration legislation or increased enforcement efforts in connection with existing immigration legislation that cause the costs of doing business to increase, cause Pilgrim's Pride to change the way in which it does business, or otherwise disrupt its operations; competitive factors and pricing pressures or the loss of one or more of Pilgrim's Pride's largest customers; currency exchange rate fluctuations, trade barriers, exchange controls, expropriation and other risks associated with foreign operations; disruptions in international markets and distribution channel, including anti-dumping proceedings and countervailing duty proceedings; the risk of cyber-attacks, natural disasters, power losses, unauthorized access, telecommunication failures, and other problems on our information systems; and the impact of uncertainties of litigation and other legal matters described in our most recent Form 10-K and Form 10-Q, including the In re Broiler Chicken Antitrust Litigation, as well as other risks described under "Risk Factors" in the Company's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and subsequent filings with the Securities and Exchange Commission. The forward-looking statements in this release speak only as of the date hereof, and the Company undertakes no obligation to update any such statement after the date of this release, whether as a result of new information, future developments or otherwise, except as may be required by applicable law.
