On July 15, 2009, Pilgrim's Pride Corporation (the "Company") entered into a Third Amendment (the "Amendment") to the Amended and Restated Post-Petition Credit Agreement dated December 31, 2008 among the Company, as borrower, certain subsidiaries of the Company, as guarantors, Bank of Montreal, as agent, and the lenders party thereto (the "Credit Agreement"). The Amendment is subject to the approval of the United States Bankruptcy Court for the Northern District of Texas, Fort Worth Division. The Amendment amends the Credit Agreement to allow the Company to invest in certain interest bearing accounts and government securities, subject to certain conditions. In connection with the Amendment, the Company also agreed to reduce the total available commitments under the Credit Agreement from \$450,000,000 to \$350,000,000.

The Amendment also allows the Company to enter into certain ordinary course hedging contracts relating to feed ingredients used by the Company and its subsidiaries in their businesses. The Company may only enter into hedging contracts which satisfy the following conditions, among other restrictions: (a) the contract is traded on a recognized commodity exchange; (b) the contract expiration date is no later than March 21, 2010, or a later date if agreed to by the Bank of Montreal, as agent; (c) the Company and its subsidiaries do not have open forward, futures or options positions in the subject commodity in excess of 50% of the Company's expected usage of such commodity for a specified period; (d) the contract is not entered into for speculative purposes; and (e) the Company will not have more than \$100,000,000 in margin requirements with respect to all such hedging contracts.

The above discussion is a summary of certain terms and conditions of the Amendment and is qualified in its entirety by the terms and conditions of the Amendment.
