A message to all Pilgrim's Pride partners and their families:

Today marks a special day in Pilgrim's Pride's history. This morning we announced that we're purchasing ConAgra's chicken division. This acquisition will approximately double our revenues and make us the nation's second-largest chicken company. Combined, we'll have annual net sales of approximately \$5 billion and be more than 40,000 partners strong.

Buying ConAgra's chicken division represents a major step forward in our strategy to continue adding value to all of our products and services. ConAgra's well-known Pierce(R), Country Pride(R), Easy-Entrees(R) and To-Ricos(R) brands will enhance our prepared foods product offerings. And, ConAgra's highly customized cooked chicken products, including breaded cutlers, sizzle strips and Wing-Dings(R) for restaurants and specialty foodservice customers will complement our existing offerings of pre-cooked breast fillets, tenderloins, burgers, nuggets, salads and other prepared chicken products.

We will also benefit from ConAgra's established relationships with broad-line national distributors. Together, we'll be able to compete on a larger scale and more effectively service the retail food industry. We'll also enhance our technological leadership. With the addition of ConAgra's case-ready processing plant in Gainesville, Georgia, which is scheduled to convert to fixed-weight this summer, we will add to our capabilities to cut and process case-ready, fixed-weight chicken for major national retailers.

ConAgra's operations in Arkansas, Louisiana, West Virginia, Tennessee, Alabama, Georgia and Kentucky complement our operations and will allow us to provide fresh chicken products to supermarkets and other retail customers throughout the United States. As the largest distributor of chicken products in Puerto Rico, ConAgra will also provide Pilgrim's Pride with a solid foothold in a profitable market.

We're forming transition teams, focusing on all facets of our operations, with representatives from both companies, to help ensure the successful integration of our businesses. We will continue to communicate with you as our plans progress. As always, we ask that you continue providing the excellent service that our customers expect.

I hope that you share our enthusiasm about our bright prospects for the future. On behalf of our entire management team, thank you for your continued dedication and support.

Sincerely,

/s/ O.B. GOOLSBY, JR.

1. WHY ARE PILGRIM'S PRIDE AND CONAGRA COMBINING?

Buying ConAgra's chicken division represents a major step forward in our strategy to continue adding value to all of our products and services. As a result of our combination, Pilgrim's Pride will become a leading supplier to the U.S. prepared chicken products industry and the second-largest company in the chicken industry. We'll have annual net sales of approximately \$5 billion and be more than 40,000 partners strong.

ConAgra's chicken division is an excellent strategic fit for us because its well-known brands and highly customized cooked chicken products complement our own. Additionally, ConAgra's established relationships with broad line national distributors and its Southeastern processing facilities will enable us to provide customers at every point on the distribution chain with the broadest range of quality value-added products and services available in the market today.

Together, we'll be able to compete on a larger scale and more effectively service the retail food industry. We'll also enhance our technological leadership. With the addition of ConAgra's case-ready processing plant in Gainesville, Georgia, which is scheduled to convert to fixed-weight this summer, we will add to our capabilities to cut and process case-ready, fixed-weight chicken for major national retailers.

2. HOW LONG WILL IT TAKE TO COMPLETE THE ACQUISITION? WHAT CAN PARTNERS EXPECT IN THE INTERIM?

We anticipate that the transaction will be completed in the third calendar quarter of 2003. The transaction is subject to the approval of our stockholders and other customary conditions.

In the interim, it is important that we all remain focused on meeting our commitments to our customers. We're forming transition teams, focusing on all facets of our operations, with representatives from both companies, to help ensure a smooth and successful integration of our businesses. You will hear more as our plans progress. We will continue to communicate frequently and keep you up-to-date as the integration proceeds.

3. HOW WILL STAFFING THROUGHOUT THE COMPANY BE DETERMINED? WILL ANY CONAGRA OR PILGRIM'S PRIDE PARTNERS BE LAID OFF?

We do not anticipate any significant workforce reductions. The transition teams will be making organizational recommendations in the coming weeks and months. We will continue to communicate with you as organizational decisions are made.

4. ARE THERE ANY PLANS FOR PLANT/FACILITY CONSOLIDATION? WHICH ONES?

Since the transaction was just announced today, we're still working through the structure of the combined company. We will keep you informed as plans are made and the integration proceeds.

5. WHAT SHOULD WE TELL OUR CUSTOMERS?

This transaction supports our long-term strategy to build our consumer branded business in North America and will create a number of important benefits for our customers. As a result of this transaction, we will have the ability to offer customers at every point on the distribution chain the broadest range of quality value-added products and services available in the market today. Our increased size, geographic reach and technological leadership will drive improved efficiency and cost savings, and our enhanced product line and expanded distribution channels will help us better satisfy specific customer needs.

6. WHERE CAN I GET MORE ANSWERS? WHO CAN I TALK TO?

We encourage you to talk to your manager, supervisor or human resource manager. Also, we're posting information in each facility and have that same information available on our corporate Intranet. During the transition period we will develop additional Q and A's for frequently asked questions.

Your human resource manager can send in your question or you may directly email Ray Atkinson ([ratkinson@pilgrimspride.com](mailto:ratkinson@pilgrimspride.com)) in our Communication Department.
