PROXY STATEMENT  
GENERAL INFORMATION

The Board of Directors of Pilgrim's Pride Corporation (the "Company") solicits stockholders' proxies in the accompanying form for use at the Annual Meeting of Stockholders to be held on February 7, 1996, at 11:00 a.m., local time, at the Company's headquarters at 110 South Texas Street, Pittsburg, Texas and at any adjournments thereof (the "Meeting"). This Proxy Statement, the accompanying proxy card and the Company's 1995 Annual Report to Stockholders are being mailed, beginning on or about January 3, 1996, to all stockholders entitled to receive notice of, and to vote at, the Meeting.

The principal executive offices of the Company are located at 110 South Texas Street, Pittsburg, Texas 75686. Any writing required to be sent to the Company should be mailed to this address.

Outstanding Voting Securities

Each stockholder of record at the close of business on December 21, 1995 (the "Record Date"), will be entitled to one vote for each share of the Company's common stock held on the Record Date. The accompanying proxy card indicates the number of shares to be voted. On December 21, 1995, there were 27,589,250 shares of the Company's common stock issued and outstanding.

Voting of Proxies

Because many of the Company's stockholders are unable to attend the Meeting, the Board of Directors solicits proxies by mail to give each stockholder an opportunity to vote on all items of business scheduled to come before the Meeting. Each stockholder is urged to:

(1) read carefully the material in this Proxy Statement;

(2) specify his or her voting instruction on each item by marking the appropriate boxes on the accompanying proxy card; and

(3) sign, date and return the card in the enclosed, postage prepaid envelope.

The accompanying proxy card provides a space, with respect to the election of Directors, for a stockholder to withhold voting for any or all nominees for the Board of Directors, but does not permit a stockholder to vote for any nominee not named on the proxy card. The card also allows a stockholder to abstain from voting on any item if the stockholder chooses to do so.

When the accompanying proxy card is properly executed and returned with voting instructions with respect to any of the items to be voted upon, the shares represented by the proxy will be voted in accordance with the stockholder's directions by the persons named on the card as proxies of the stockholders. If a proxy card is signed and returned, but no specific voting instructions are given, the shares represented by the proxy card will be voted for the election of the eleven nominees for Directors named on the accompanying proxy card and for the appointment of Ernst & Young as the Company's independent auditors.

Unless otherwise indicated by the stockholder, returned proxy cards also confer upon the persons named on the card, as proxies for the stockholder, discretionary authority to vote all shares of stock represented by proxy card on any item of business that is properly presented for action at the Meeting, even if not described in this Proxy Statement. If any of the nominees for Director named below should be unable or unwilling to accept nomination, the proxies will be voted for the election of such other person as may be recommended by the Board of Directors. The Board of Directors, however, has no reason to believe that any item of business not set forth in this Proxy Statement will come before the Meeting or that any of the nominees for Director will be unavailable for election.

The proxy does not affect a stockholder's right to vote in person at the Meeting. If a stockholder executes a proxy, he or she may revoke it at any time before it is voted by submitting a new proxy card, or by communicating his or her revocation in writing to the Secretary of the Company or by voting by ballot at the Meeting.

#### Votes Required

The holders of at least a majority of the shares of the Company's common stock outstanding on the Record Date must be present in person or by proxy at the Meeting to be held. Abstentions and broker non-votes are counted in determining whether at least a majority of the shares of the Company's common stock outstanding on the Record Date are present at the Meeting. Directors will be elected by a plurality of the votes cast at the Meeting. The affirmative vote of a majority of the shares represented and entitled to vote at the Meeting is required for the appointment of the Company's independent auditors and approval of any other item of business to be voted upon at the Meeting. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved. Lonnie "Bo" Pilgrim owned or controlled 18,007,384 shares (65.3%) of the Company's common stock on the Record Date and thus will be able to elect all of the nominees for Directors and to approve Ernst & Young as independent auditors for the Company.

#### Stockholder Proposals for 1997 Annual Meeting

Under the rules of the Securities and Exchange Commission, in order to be included in the Company's Proxy Statement for the 1997 Annual Meeting of Stockholders, a stockholder proposal must be received by the Secretary of the Company no later than the close of business on September 6, 1996.

#### Cost of Proxy Solicitation

The Company will bear the cost of the Meeting and the cost of soliciting proxies in the accompanying form, including the cost of mailing the proxy material. In addition to solicitation by mail, Directors, officers and other employees of the Company may solicit proxies by telephone or otherwise. They will not be specifically

compensated for such services. The Company will request brokers and other custodians, nominees and fiduciaries to forward proxies and proxy soliciting material to the beneficial owners of the Company's common stock and to secure their voting instructions, if necessary. The Company will reimburse them for the expenses in so doing.

#### Board of Directors

The Board of Directors has the responsibility for establishing board corporate policies and for the overall performance of the Company. However, it is not involved in day-to-day operating details. Members of the Board are kept informed of the Company's business through discussions with the Chairman and other officers, by reviewing analyses and reports sent to them each month, as well as by participating in Board and committee meetings.

#### Board Committees

To assist in carrying out its duties, the Board of Directors has delegated certain authority to the Audit and Compensation Committees. The members of the Audit Committee are Robert E. Hilgenfeld, Vance C. Miller, Sr. and James G. Vetter, Jr. The members of the Compensation Committee are Lonnie "Bo" Pilgrim, Robert E. Hilgenfeld, Vance C. Miller, Sr., James G. Vetter, Jr., Donald L. Wass and Charles L. Black. Each Committee meets to examine various facets of the Company's operations and take appropriate action or make recommendations to the Board of Directors. The Audit Committee's responsibilities include making recommendations to the Board of Directors regarding the selection of independent public accountants and reviewing the plan and results of the audit performed by the public accountants of the Company and the adequacy of the Company's systems of internal accounting controls, and monitoring compliance with the Company's conflicts of interest and business ethics policies. The Compensation Committee reviews the Company's remuneration policies and practices and establishes the salaries of the Company's officers.

#### Meetings

During the Company's fiscal year ending September 30, 1995, there were six meetings of the Board of Directors, two meetings of the Audit Committee, and one meeting of the Compensation Committee. Each member of the Board of Directors attended at least 75% of the aggregate number of meetings of the Board and Board Committees on which the Director served.

#### ELECTION OF DIRECTORS

At the meeting, eleven Directors are to be elected, each to hold office for one year or until his successor is duly elected and qualified. It is intended that the shares represented by the enclosed proxy will be voted for the election of the eleven nominees named below. The Board of Directors has no reason to believe that any nominee will be unable to serve if elected. In the event any nominee shall become unavailable for election, it is intended that such shares will be voted for the election of a substitute nominee selected by the Board of Directors.

#### Compensation Committee Interlocks and Insider Participation

During fiscal 1995, the members of the Company's Compensation Committee were: Lonnie "Bo" Pilgrim, Robert E. Hilgenfeld, Vance C. Miller, Sr., James G. Vetter, Jr., Donald L. Wass and Charles L. Black.

The Company has been and continues to be a party to certain transactions with Lonnie "Bo" Pilgrim and a law firm affiliated with James G. Vetter, Jr. These transactions, along with all other transactions between the Company and affiliated persons, require the prior approval of the Audit Committee of the Board of Directors.

The Company's transactions with Lonnie "Bo" Pilgrim, Chairman of the Board and Chief Executive Officer of the Company, have allowed the Company to obtain the use of required production facilities and equipment on terms which management believes are not less favorable to the Company than could have been arranged with unaffiliated person. Since 1985, Lonnie "Bo" Pilgrim, Chairman of the Board and Chief Executive Officer of the Company, has engaged in chicken grow-out

operations with the Company which involve the purchase of chicks, feed and veterinary and technical services from the Company and the growing-out of chickens to maturity at which time they are purchased by the Company. Chicks, feed and services are purchased from the Company for their fair market value, and the Company purchases the mature chickens from Mr. Pilgrim at market-quoted prices at the time of purchase. Management of the Company believes that this operation is conducted on terms not less favorable than those which could be arranged with unaffiliated persons. During fiscal year 1995, the Company paid Mr. Pilgrim, doing business as Pilgrim Poultry G.P. ("PPGP"), \$12,721,000 for chickens produced in his grow-out operations, and PPGP paid the Company \$12,478,000 for chicks, feed and services. Lonnie "Bo" Pilgrim is the sole proprietor of PPGP.

PPGP also produces eggs for the Company. In addition to the chicken grow-out operations described above, PPGP contracts with the Company to house and care for Company flocks used for egg production and is paid an egg grower fee based on actual production. The egg grower contract between PPGP and the Company renews automatically as each expended flock of laying hens is replaced by a new flock. The contract is cancelable by either party at any time prior to the time when the then current producing flock is 48 weeks old. Flocks are normally replaced every 14 months. Management of the Company believes that these relationships are on terms not less favorable to the Company than those which could be arranged with unaffiliated persons. During fiscal year 1995, the Company paid contract egg grower's fees to PPGP of \$4,760,000.

Since 1985, the Company has leased an airplane from Mr. Pilgrim under a lease agreement which provides for monthly lease payments of \$33,000 plus operating expenses, which terms management of the Company believes to be substantially similar to those obtainable from unaffiliated parties. During fiscal 1995, the Company had lease expenses of \$396,000 and operating expense of \$149,000 associated with the use of this airplane.

Historically, much of the Company's debt has been guaranteed by the major stockholders of the Company. In consideration of such guarantees, the Company has paid such stockholders a quarterly fee equal to .25% of the average aggregate outstanding balance of such guaranteed debt. During fiscal 1995, the Company incurred \$623,000 for such guarantees and paid \$451,000 to Lonnie "Bo" Pilgrim and \$27,000 to each of his three children (including Lonnie Ken Pilgrim, a Director of the Company).

Godwin & Carlton, P.C., has represented and currently represents the Company in connection with a variety of legal matters. James G. Vetter, Jr., is a Director of the Company and is an Executive Vice President of Godwin & Carlton, P.C. During fiscal year 1995, the Company paid Godwin & Carlton, P.C., legal fees of \$304,629 in connection with such matters.

Mr. Hilgenfeld, a member of the Company's Compensation Committee, served as an officer of the Company prior to 1973.

## Directors' Fees

The Company pays its Directors who are not employees of the Company \$4,000 per meeting attended, plus expenses.

## Report of Compensation Committee

The Compensation Committee establishes executive compensation and oversees the administration of the bonus plan for key members of management and the Company's employee benefit plans.

In accordance with recently adopted rules designed to enhance disclosure of the Company's policies toward executive compensation, the following is a report submitted by the Compensation Committee members in their capacity as the Board's Compensation Committee, addressing the Company's compensation policy as it related to the named executive officers for fiscal 1995.

## Performance Measures

The Compensation Committees' establishment of annual executive compensation is a subjective process in which the Committee considers many factors including the Company's performance as measured by earnings for the year, each executive's specific responsibilities, the contribution to the Company's profitability by each executive's specific areas of responsibility and the executive's length of time with the Company. The Company's objective is to obtain financial performance that achieves increased return on equity, sales volume, earnings per share and net income. The Committee believes that linking executive compensation to corporate performance results in a better alignment of compensation with corporate goals and shareholder interests.

## Fiscal 1995 Compensation

For fiscal 1995, the Company's executive compensation program consisted of (a) base salary, (b) a bonus based upon the performance measurements described above and bonus plan described below, (c) company contributions to the Company's 401(k) salary deferral plan which are made up of mandatory contributions of one dollar per week and matching contributions of up to five dollars per week and additional matching contributions of up to four percent of an executive's compensation subject to an overall Company contribution limit of five percent of income before taxes (1) and (d) Company contributions to the Employee Stock Investment Plan in an amount equal to 33 percent of the officers' payroll deduction for purchases of the Company's common stock under the plan, which deductions are limited to 7 1/2 percent of the officer's base pay.

The Company maintains a bonus plan which provides for five percent of the Company's income before income taxes<sup>1</sup> to be allocated among certain key members of management. Such amount is allocated among all plan participants based upon the ratio of each participant's salary to the aggregate salaries of all participants and the number of months of the fiscal year the participant was approved for participation. Currently, there are 15 participants in the plan, including the Chief Executive Officer, the President and Chief Operating Officer, the Chief Financial Officer, the Executive Vice President, Operations, the President, Mexican Operations, Senior Vice Presidents and two other designated key employees. Participants may be added or removed from the plan at the discretion of the Compensation Committee. Participants must continue to be employed by the Company on January 1 following the end of a fiscal year in order to be paid a bonus with respect to that year. Bonuses are typically paid during the January following the fiscal year with respect to which the bonus has been granted.

(1) In 1995 the Board of Directors and the Compensation Committee elected to make a discretionary company contribution to the 401(k) salary deferral plan that eliminated Mexican losses from the calculation and to eliminate Mexican losses in determining the bonus compensation since such losses were primarily attributable to economic events outside the control of management. Management attributes all of the pretax Mexican losses to the Mexican peso instability beginning in December, 1994.
